How to use this planner

ALLORNOTHINGHQ

How to use this planner

Move around by tapping. Every tab, button, week number and date is a link.

- **Tabs on the right edge** jump to the year overview, any month, or the notes.
- **Top bar** has Year, Goals, Month, Week and Notes buttons on every page.
- **Month page:** tap a date for its daily page, or a week number (W1, W2 …) for that week.
- **Week page:** tap a day heading to open that day.
- **Daily page:** use the Prev and Next buttons to step one day at a time.
- **Habits and Review** pages for each month are linked from the month page.
- **Notes:** dotted, lined and grid pages. Duplicate a page in your app to add more.

Works with GoodNotes, Notability, Noteshelf, Samsung Notes and any other PDF annotation app that supports internal PDF links. Import the PDF, then write with your Apple Pencil or stylus.

Tips. In GoodNotes, tap links while in reading mode or with the pen lifted. Duplicate the daily page if you need more room, and use the Notes section for extra pages.

License. Personal use only. Do not share, resell or redistribute the file. Full terms: allornothinghq.com/license
